The Law of Attraction: The Foundation

At the heart of *The Power* lies the law of attraction—the universal principle that like attracts like. Byrne emphasizes that our thoughts, feelings, and beliefs emit energy that attracts similar energies from the universe. This means:

- Positive thoughts attract positive outcomes.
- Negative thoughts attract negative outcomes.
- Our feelings act as the compass guiding us toward what we desire.

By mastering this law, individuals can consciously create the life they envision.

Byrne asserts that: - Feelings are the action of the universe's energy. - Emotions such as love, gratitude, and joy amplify the power of your thoughts. - Negative emotions like fear, anger, or resentment can block manifestation.
