Understanding the Meaning of Aroace

What Does Aroace Mean?

"Aroace" is a portmanteau combining two terms: aromantic and asexual. It describes individuals who do not experience romantic attraction and/or sexual attraction, depending on their specific identity. While these terms are often used together, it's important to recognize that aroace identities are diverse, and individuals may identify with only one aspect or both. - Aro (short for aromantic): Individuals who do not experience romantic attraction. - Ace (short for asexual): Individuals who do not experience sexual attraction. Together, "aroace" refers to those who identify as both aromantic and asexual, though some may use the term to describe only one aspect.

Key Definitions and Distinctions

What is Aromantic?

An aromantic person does not experience romantic attraction towards others. This does not necessarily mean they lack emotional connections or intimacy; rather, they simply do not feel the desire for romantic relationships. - Common misconceptions: Aromantic individuals are often misunderstood as being emotionally detached or incapable of love, which is false. - Romantic orientation vs. love: Aromanticism pertains specifically to romantic attraction, not love or emotional bonds, which can still be strong without romantic feelings.

What is Asexual?

An asexual person does not experience sexual attraction. Again, this does not mean they do not have sexual feelings or desires; it simply signifies a lack of attraction to others in a sexual context. - Asexuality spectrum: Some asexual individuals might experience sexual attraction in specific circumstances or with certain people, known as gray-asexuality or demisexuality. - Asexuality vs. celibacy: Asexuality is an orientation, while celibacy is a choice; an asexual person may or may not choose to engage in sexual activity.

Combining Aromantic and Asexual Identities

When someone identifies as both aromantic and asexual, they often describe themselves as aroace. This indicates they do not experience romantic or sexual attraction.
