- **Grammar Practice** Reinforces key grammatical points introduced in the textbook, with exercises targeting specific structures such as conditionals, tenses, modals, and sentence structures.

For example, dialogues simulate conversations at a airport or a hotel reception, helping students internalize functional language. 3.2 Progressive Difficulty Activities increase in complexity gradually, allowing learners to build confidence before tackling more challenging tasks. Early exercises might focus on vocabulary recall, followed by application in sentences, and ultimately, paragraph writing. 3.3 Skill Integration Rather than isolating skills, the workbook promotes integrated practice—reading activities that require comprehension and vocabulary use, listening tasks that develop both understanding and pronunciation, and writing exercises that incorporate grammar and vocabulary. 3.4 Self-Assessment and Feedback Answer keys are provided at the end of each unit, enabling learners to check their work independently.
