Common Themes and Questions in the Dare to Lead Workbook

The workbook covers several core themes from Brené Brown's work, including vulnerability, shame resilience, trust, empathy, and courage. Here, we explore some common questions and how to approach them.

1. How do I define vulnerability in my leadership style?

Vulnerability is often misunderstood as weakness, but in Brown's framework, it's the birthplace of innovation, creativity, and trust. When answering this prompt: - Reflect on moments where you've shown vulnerability - Consider situations where vulnerability could have improved outcomes - Identify fears or barriers that prevent you from being vulnerable By understanding your personal relationship with vulnerability, you can begin to incorporate it intentionally into your leadership.

2. What are my core values, and how do they influence my decisions?

This exercise prompts deep self-exploration. To answer effectively: - List values that resonate most strongly with you - Reflect on how these values manifest in your daily actions - Consider situations where your values guided or conflicted with your behavior Aligning actions with core values fosters integrity and authentic leadership.

3. How do I handle shame and criticism?

Brown emphasizes resilience against shame as vital for courageous leadership. When contemplating this: - Identify triggers that evoke shame - Recognize shame responses and how they impact your behavior - Develop shame resilience strategies, such as self-compassion and reaching out for support Understanding your shame responses helps you lead with vulnerability rather than shame-driven reactions.

4. What fears are holding me back from taking bold actions?

Fear often inhibits courageous leadership. To explore this: - List specific fears (e.g., failure, rejection, conflict) - Analyze the roots

of these fears - Develop small, manageable steps to confront them Addressing fears directly empowers more confident decision-making.
