Anna Llenas, a Spanish author and illustrator, created The Color Monster drawing from her experiences working with children and her background in art therapy. Her approach combines visual storytelling with emotional literacy, aiming to make complex feelings accessible to

a young audience.

Inspiration and Creation

Llenas was inspired by her desire to help children recognize and manage their emotions. Recognizing that children often struggle to articulate feelings, she envisioned a character—the Color Monster—whose colors reflected his emotional state. The book was crafted with the intent to serve as both a narrative and a therapeutic tool, bridging the gap between art, psychology, and education.
