Using *than* in Comparatives

In most cases, comparatives are followed by *than* to specify what is being compared: - "This book is more interesting than that one." - "He runs faster than I do."

Using *the* in Superlatives

Superlatives are often used with *the* to indicate the top or bottom among a group: - "This is the tallest building in the city." - "She is the most talented singer in the competition."

Common Mistakes and How to Avoid Them

1. Confusing Regular and Irregular Forms
