For applicants aspiring to join this global institution, understanding the structure, intent, and effective preparation strategies for competency-based questions is crucial. This article delves into the essence of UN competency-based interview questions, their common themes, and practical tips to navigate them successfully. What Are Competency-Based Interview Questions? Defining Competency-Based Questions Competency-based interview

questions, also known as behavioral or situational questions, focus on how candidates have handled specific work situations in the past or how they would approach hypothetical scenarios. Unlike traditional interview questions that probe knowledge or experience in a general sense, these are tailored to uncover specific behaviors that align with organizational competencies.

Purpose and Significance in the UN Context

The UN emphasizes a set of core competencies that underpin effective performance across its diverse roles. These include teamwork, communication, accountability, planning and organizing, resilience, and others. By asking competency-based questions, the UN aims to:

- Ensure candidates possess the behavioral skills necessary for effective collaboration in multicultural settings.
- Assess problem-solving and decision-making abilities.
- Determine alignment with the UN's values and organizational culture.
- Predict future performance based on past behaviors and proven skills.

How These Questions Work Typically

candidates are prompted with questions such as, "Tell me about a time when you..." or "Describe a situation where you..." followed by a request for details about the context, actions taken, and results achieved. The STAR method (Situation, Task, Action, Result) is frequently recommended to structure responses clearly and concisely.

Core Competencies Assessed in UN Interviews

The UN has outlined specific core competencies that are assessed during interviews. Understanding these is vital for tailored preparation.

- 1. Communication Skills** Effective communication is essential in the UN's multilingual and multicultural environment. Questions may probe your ability to convey ideas clearly, listen actively, and adapt messaging to different audiences. Sample question: "Can you give an example of a time when you had to communicate complex information to a non-expert?"
- 2. Teamwork and Collaboration** Given the UN's emphasis on working across borders and cultures, teamwork competency is critical. Questions assess your ability to build relationships, resolve conflicts, and contribute to collective goals. Sample question: "Describe a situation where you worked with a diverse team to achieve a common objective."
- 3. Accountability and Integrity** Trustworthiness and adherence to ethical standards are fundamental. Candidates should demonstrate responsibility, transparency, and ethical decision-making. Sample question: "Tell me about a time when you identified an error or a mistake in your work. How did you handle it?"
- 4.**

Planning and Organizing The ability to prioritize, manage time effectively, and coordinate activities is highly valued, especially in project management roles. Sample question: “Give an example of how you managed multiple deadlines successfully.”

5. Resilience and Adaptability The UN often operates in unpredictable environments. Resilience, flexibility, and stress management are tested through questions about handling change or setbacks. Sample question: “Describe a situation where you had to adapt quickly to a significant change at work.”

6. Leadership (for managerial roles) Leadership questions explore your capacity to inspire, guide teams, and make strategic decisions. Sample question: “Share an example of a time when you led a project or initiative successfully.”

Common Structures and Approaches to Answering UN Competency Questions

The STAR Technique

A widely recommended method to craft compelling responses is the STAR framework, which ensures that answers are structured, focused, and impactful:

- Situation: Set the context by describing the background.
- Task: Explain the specific challenge or responsibility.
- Action: Detail the steps you took to address the situation.
- Result: Share the outcome and what you learned.

Example: Question: “Tell me about a time when you had to resolve a conflict within your team.” Response: Situation: In my previous role, two team members had a disagreement affecting project progress. Task: My responsibility was to mediate and restore team cohesion. Action: I arranged a meeting with both parties, listened to their perspectives, identified common goals, and facilitated a compromise. Result: The conflict was resolved, and the project moved forward successfully. The team reported improved collaboration afterward.
